Executive Summary of Bid Evaluation Report

**Project Title: THE CONSTRUCTION OF A RETAIL FUEL STATION FOR NAMCOR
IN OSHAKATI**

Reference number of procurement: W/ONB/NC-06/2019

1. Scope of Contract

The Works consist of the construction of bulk earthworks, convenient store, fuel forecourt, pipework and appurtenant structures as guided by the Bill of Quantities.

The major elements comprising this Contract are as follows:

- Establishment of necessary camp and plant on site;
- Setting out of work;
- Locate, expose, protect and survey of existing services;
- Ensuring site safety during all time of construction for site personnel, motorists and the general public;
- Medium pressure potable water lines, and sewer rising mains;
- Gravity sewerage lines and manholes;
- High and low voltage electrical reticulation, street lighting and cable ducts for future optical cable reticulation;
- Surfacing of roads and vehicle circulation areas;
- Storm water structures, pipelines and light liquid interceptors;
- Construction of a convenient store;
- Construction of fuel dispensing and storage systems;
- Construction of three (3) fuel dispensing islands
- Construction of one (1) COC island
- Construction of fuel forecourt and COC canopies
- Installation of all Electrical & Mechanical Specialized services
- Quality control monitoring, including compiling and following an approved quality control plan;
- Collecting and compiling all as-built information;
- Testing of all works;
- Additional work as instructed by the Engineer;

- Finishing and trimming of the site.
- Removal of camp establishment and finishing off the site after completion;
- The maintenance of the works and all other requirements of the Contractor's defects liability.
